

The Significance Of Free Will

by Robert Kane

The Significance of Free Will - Robert Kane - Google Books This paper raises a pair of objections to the novel libertarian position advanced in Robert Kane's recent book, *The Significance of Free Will*. The first objections to *The Significance of Free Will*: Robert Kane: 9780195126563 . In the past quarter-century, there has been a resurgence of interest in philosophical questions about free will. After a clear and broad-reaching survey of these questions, Kane argues that the libertarian position is untenable. He is the author of *Free Will and Values* (1985), *Through the Moral Maze* (1994), and *The Significance of Free Will* (1996: awarded the 1996 Robert W. Hamilton Award). *The Significance of Free Will*, Determinism and Indeterminism A magisterial work (that) culminates twenty-five years of thinking about the problems of free will. For those who believe both that robust free will cannot survive and that determinism is true, the significance of free will is not exhausted by its connection to moral responsibility. Free will also appears to be a condition on desert for
